Aubrey Gerhard, P.A.-C, joins Franklin Medical Center providers

Hampton, April 2010.....Franklin General Hospital and Franklin Medical

Center are pleased to announce that Aubrey Gerhard, P.A.-C, will be joining the FGH/FMC team of providers on or before October 1, 2010. A native of Grundy Center, Aubrey is the graduate of Loras College in Dubuque Iowa with a major in Biochemistry and Psychology Minor and will graduate in June of 2010 from Des Moines University Osteopathic Medical Center with a Master's in Physician Assistant Studies.

During her studies Aubrey has done clinical rotations in a number of areas including family practice, Geriatric Family Practice, internal medicine, pediatrics, emergency medicine, dermatology, psychiatry, general surgery, ENT surgery, hematology, and oncology,

Aubrey chose to enter this career because she enjoys helping people and providing them with options to better their health. Aubrey enjoys family practice medicine because of the mix of patients you get to see but does especially enjoy pediatrics and dermatology.

Aubrey explains, "I am excited about joining FGH, I grew up in a small town, so I enjoy the small town atmosphere, the friendly faces, and the sense of community, where everyone knows you. I felt the community of Hampton was a great fit for me."
