NEWS CONFERENCE TO ANNOUNCE

\$1 MILLION ECONOMIC DEVELOPMENT MILESTONE REACHED: NEW GOAL REVEALED

HAMPTON, IOWA – Hampton State Bank will hold a news conference at **1 p.m. on Friday, March 26**, in Hampton, to announce a milestone success with its Come Home to Franklin County® economic development initiative, a \$1 million commitment to attract former Franklin County residents back to the area.

The news conference will be held in the **Franklin County Courthouse rotunda (2nd floor), corner of Highway 3 and 1st Street NW, (east side of main street), Hampton, Iowa.**

Come Home to Franklin County® offers low-interest home and car loans and other benefits to attract Franklin County high school graduates back to the area. There are three high schools located in the county, West Fork (formerly SCMT), Hampton-Dumont, and CAL Community, and the pool of potential participants for Come Home to Franklin County® is more than 6,800. This is a first-of-its-kind initiative—one community bank pledging \$1 million to help grow the population and economy of its county.
