1. Eligibility

The *Open 4 Business* Competition is open to legal residents of the State of Iowa. Must be 18 years old at the time of submitting an entry. Participants must be a for-profit business located within a designated Main Street commercial district and been in operation for a minimum of one year prior to submitting an application. Only one business from each Main Street district may be submitted to the state competition. Any business that competed at the 2019 state contest is NOT eligible to apply. Void where prohibited.

2. How to Apply

To apply, contact your local Main Street program office. Some communities host a local contest to choose the business that will represent their community so please contact the local Main Street program office for additional information. An online entry form must be completed in addition to a video (5-minute maximum time limit) to “pitch” your business idea. Each local Main Street program can direct you to additional resources to assist in completing your application. Only ONE application from each Main Street program will advance to the state competition.

Local programs must be current with all Main Street Iowa contract obligations to submit an application. Local entries are due to the Main Street Iowa office no later than **4:00 p.m. Friday, April 17, 2020**. Funds will be distributed on a reimbursement basis following contract execution on/after September 1, 2020.

3. Business Pitch Video/Interview

Each business will be required to submit a video (5-minute maximum) in addition to an online application and project budget describing how the business would use the Open 4 Business grant funds if awarded. Be creative and have fun! The video should be concise, informative, and tell the story of how the Open 4 Business grant funds would assist the business and community with continued business growth and development. Judges will not view videos beyond the first five minutes. Videos are not required to be professionally produced and will be judged on content rather than level of production.

The field will be narrowed to 12 semi-finalists who will have a short online video interview with the state judging team to address any questions related to their application on May 28, 2020. Interviews will be scheduled through the local Main Street office.

4. Nomination Guidelines
